2:

1 (j) The violation of any of the statutes of this state, or any other state, or of  
2 the United States regulating controlled substances and dangerous drugs.

3 . . . .

4 (o) Violating or attempting to violate, directly or indirectly, or assisting in or  
5 abetting the violation of or conspiring to violate any provision or term of this  
6 chapter or of the applicable federal and state laws and regulations governing  
7 pharmacy, including regulations established by the board or by any other state or  
8 federal regulatory agency.

9 . . . .

10 8. Health and Safety Code section 11377(a) states:

11 Except as authorized by law and as otherwise provided in subdivision (b) or  
12 Section 11375, or in Article 7 (commencing with Section 4211) of Chapter 9 of  
13 Division 2 of the Business and Professions Code, every person who possesses any  
14 controlled substance which is (1) classified in Schedule III, IV, or V, and which is  
15 not a narcotic drug, (2) specified in subdivision (d) of Section 11054, except  
16 paragraphs (13), (14), (15), and (20) of subdivision (d), (3) specified in paragraph  
17 (11) of subdivision (c) of Section 11056, (4) specified in paragraph (2) or (3) of  
18 subdivision (f) of Section 11054, or (5) specified in subdivision (d), (e), or (f) of  
19 Section 11055, unless upon the prescription of a physician, dentist, podiatrist, or  
20 veterinarian, licensed to practice in this state, shall be punished by imprisonment  
21 in a county jail for a period of not more than one year or in the state prison.

### 22 COST RECOVERY

23 9. Section 125.3 of the Code provides, in pertinent part, that the Board may request  
24 the administrative law judge to direct a licensee found to have committed a violation or  
25 violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation  
26 and enforcement of the case.

### 27 DRUG

28 10. Suboxone, a brand name for buprenorphine and naloxone, is a Schedule V controlled  
substance as designated by Health and Safety Code section 11058(d), and is a dangerous drug  
pursuant to Business & Professions Code section 4022. Suboxone is used to treat opiate  
addiction.

### 29 FACTUAL ALLEGATIONS

30 11. On or about October 24, 2010 at approximately 11:33 p.m., an officer from the  
Newport Beach Police Department observed a vehicle in the number two lane start to make a  
right hand turn from the right-turn only lane, but then instead of turning, the driver continued to

1 drive straight. The officer also observed the vehicle cross quickly over the painted marks on the  
2 road, and the driver's side tires cross into the opposite traffic lane several times. The officer then  
3 initiated a traffic stop of the vehicle and identified Respondent as the driver. When the officer  
4 approached the vehicle, he smelled a burned marijuana odor coming from the vehicle. The  
5 officer asked Respondent and her two passengers if they had anything illegal in the vehicle. All  
6 three individuals responded stated, "no." The officer observed that Respondent had constricted  
7 pupils consistent with being under the influence of opiates, and that her passengers had watery  
8 and bloodshot eyes consistent with smoking marijuana. Respondent consented to a vehicle  
9 search, exited the vehicle and placed her purse on the driver's seat.

10 12. The officer searched the vehicle and Respondent's purse. The officer discovered  
11 flakes of marijuana on the rear-passenger floor and remnants of a burnt marijuana cigarette under  
12 the driver's seat. In Respondent's purse, the officer discovered a plastic pill container (that also  
13 worked as a pill crusher/cutter) that contained half of an 80 mg Oxycontin pill, two ink pen  
14 sleeves with a yellow/brown residue inside and on the outer edges and one with an outer edge of  
15 black residue, and a medication bottle labeled Suboxone (without any identifying information on  
16 the partially-torn label) with 15 whole and 4 half Suboxone pills inside.

17 13. The officer asked Respondent what medications she was prescribed. Respondent  
18 stated that she was prescribed Oxycontin and Suboxone. The officer asked Respondent if she  
19 smoked her Oxycontin and she stated, "sometimes I do." Respondent also admitted that she had  
20 been prescribed Oxycontin for 4 years and that she took Suboxone to counter the effects of the  
21 Oxycontin withdrawal. She stated that she commutes to Tustin for her Oxycontin refills because  
22 most pharmacies do not dispense the crushable form, however, the Tustin pharmacy she goes to  
23 dispenses the crushable pill.

24 14. The officer asked Respondent if she was currently prescribed Suboxone, to which  
25 Respondent replied, "I was." Respondent then informed the officer that her boyfriend obtained a  
26 prescription for Suboxone and provided her with the pills in order to assist her with withdrawals  
27 of Oxycontin use. Respondent admitted that the pills currently possessed in the bottle were the  
28

one's provided by her boyfriend. The officer then placed Respondent under arrest for violation of Health and Safety Code section 11377(a), possession of a controlled substance.

15. The officer then asked Respondent again where she obtained the Suboxone. Respondent stated, "from the doctor." The officer asked Respondent what doctor had she obtained them from and Respondent stated, "I'm not sure the name, my boyfriend got it for me." Respondent admitted that she did not possess a valid prescription for Suboxone. Respondent then stated that her boyfriend provided her with the pills, that she was previously prescribed Suboxone by a doctor approximately 3 months prior but she was unable to provide any information about the doctor.

16. Respondent did not fill a prescription for Suboxone from January 1, 2007 through December 31, 2010.

#### **FIRST CAUSE FOR DISCIPLINE**

(Unprofessional Conduct – Violating Laws Regulating Controlled Substances)

17. Respondent is subject to disciplinary action for unprofessional conduct under section 4301(j) of the Code in that Respondent possessed a controlled substance, Suboxone, without a valid prescription in violation of the California Uniform Controlled Substances Act (Health and Safety Code Sections 11000, et. Seq.), as evidenced by her admissions set forth in paragraphs 11-16 above, incorporated herein by reference.

#### **SECOND CAUSE FOR DISCIPLINE**

(Unprofessional Conduct – Violation of Chapter)

18. Respondent is subject to disciplinary action for unprofessional conduct under section 4301(o) of the Code, in that Respondent violated the Pharmacy Act by illegally possessing a controlled substance in violation of Code section 4060, and by violating Health and Safety Code section 11377(a), as evidenced by her admissions set forth in paragraphs 11-16 above, incorporated herein by reference.

#### **PRAAYER**

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Board of Pharmacy issue a decision:

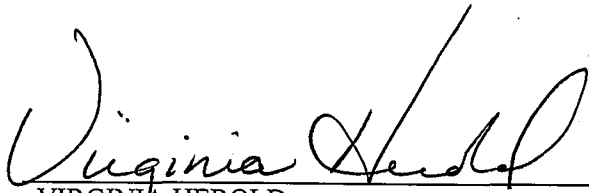

1           1.    Revoking or suspending Pharmacy Technician Registration Number TCH 98152,  
2 issued to Cammie Lee Quinn;

3           2.    Ordering Cammie Lee Quinn to pay the Board of Pharmacy the reasonable costs of  
4 the investigation and enforcement of this case, pursuant to Business and Professions Code section  
5 125.3;

6           3.    Taking such other and further action as deemed necessary and proper.
